

Dear Students

Congratulations again on getting through your exams like champions. It was a very stressful time and the majority of you have shown amazing work ethic and commitment. I hope you have managed to unwind and enjoy your well-earned break over the Summer.

Please read the following information regarding Results Day - Thursday 16th August.

The school will be open from 7:30am so that students who have missed their offer can access the clearing system as soon as possible. We are opening early so as to be able to provide a wide range of options for you if you have to go through clearing. Mrs Kaur and I will be available for any advice on the day.

For more advice and information on how clearing works click on the links below:

Remember to get some rest and have breakfast on the day as no matter what the results are going to be you will be making some important decisions!

Check UCAS Track in order to see whether your firm choice has confirmed your place.
