

Highway works Springfield Road Beaconsfield Road

Highway Works

O'Hara, highways contractor working for the London Borough of Hillingdon, will be starting the highway improvement works in Beaconsfield Road /Springfield Road to include zebra crossings, mini roundabout, cycle lane etc for a period of 6 weeks weather permitting, starting from 25th March 2019. The work is planned to be carried out in two phases

All efforts will be made to carry out works Monday to Friday from 8am to 5pm. To minimise the disruption to the resident's works will only continue during weekends if it cannot be avoided and work will then be restricted to the period between 8am to 2pm.

Phase1 works?

- Implementation of a new zebra crossing, in Beaconsfield Road near J/W Springfield Road including all road marking, lighting, footway surfacing etc.
- Implementation of a mini Roundabout in Springfield Road J/W Beaconsfield Road
- Widening & Implementation of shared Pedestrian / Cycle way north bound footway
- Carriageway, Footway surfacing, Lighting improvement and all other ancillary works

While we are working

If you normally park your vehicle in the road or in front of your house, can we please ask you to find alternative parking. This will enable us to complete works to the whole road at the same time rather than cause extended disruption.

We appreciate your patience and apologise for any inconvenience caused when we are working.

Thank you for your cooperation.
