**Guru Nanak Sikh Academy Ltd
PUPIL/ STUDENT ATTENDANCE POLICY**

At Guru Nanak Sikh Academy Ltd we know that full and punctual attendance at all lessons makes a vast difference to achievement and performance and demonstrates commitment and responsibility from our pupils/students. Attendance and punctuality are monitored daily and all concerns are dealt with promptly. **Any causes for concern will be followed up with telephone calls, meetings or letters to help support parents to improve their child's attendance and punctuality.**

The Governing Body expects 100% attendance but understand that from time to time some children will fall ill and require time off school. Parents should be aware that the Department for Education advises that anything below 95% attendance is unsatisfactory.

Absence

Pupils/students are expected to attend their respective schools for the full 190 days of the academic year, unless there is a valid reason for their absence. There are two types of absences: Authorised (where the MAT approves pupil's/student's absence) and Unauthorised (where the MAT will not approve absence).

It is the responsibility of parents/carers to contact the respective school **every day of a pupil's/student's absence** until their return. The schools will contact parents after morning registration if the pupil/student is marked absent and no messages have been left. This is because the schools need to know the location of all pupils/ students.

- In the Secondary School, on the student's return, a note should be sent on the day to the school explaining the absence, accompanied by an appointment card or letter from hospital or other evidence.
- After five days or more, or when requested by the respective schools, parents/ carers must provide medical evidence (NHS certificate).
- It is the respective schools' decision to authorise an absence, not parents.

If parents fail to inform us of their child's absence, then the respective school will make contact every day, followed by a letter after 3 days of continuous unexplained absence. **This contact will be recorded in the register by the Welfare Assistant.**

As a Multi-Academy Trust we value the importance of good attendance and also recognise 100% attendance. Pupils/students with 100% attendance will be rewarded by their respective schools.

Medical & Dental Appointments

Routine appointments should be made outside the respective school hours and in school holidays. Where an appointment cannot be avoided evidence must be produced at least 3 days in advance. Whole days off are not permitted for check-up appointments. No authorised time off is allowed for pupils/students to receive injections/inoculations.

Permission Slip for Medical Appointments

A Permission slip (**Appendix 2a-GNSA Primary, 2b-Secondary and 2c-Nanaksar Primary**) must be completed if a pupil/student needs to attend a medical appointment during the school day.

GNSA- Primary Phase and Nanaksar Primary

Parents must provide evidence in the form of a hospital letter/ appointment card for a pupil to leave the school early, along with the completed permission slips. All pupils leaving early must be collected by a parent or named contact. The school's administrator will keep a record of any pupil leaving early.

Secondary Phase

A permission slip must be signed by the Form Tutor and Progress Leaders. The student must be collected from the reception area by the parent or carer. Proof in the form of an appointment card/letter or note from parents must be shown to the form tutor. If a student is making their own way to an appointment, written consent from parents is required.

Exceptional leave - Parental Information

A pupil's/student's absence during term time can seriously disrupt their continuity of learning. Not only do pupils/students miss the teaching provided on the days they are absent, but they are also less prepared for the lessons after their return. There is a consequent risk of underachievement which we, and you, must seek to avoid.

- Parents are **not expected to apply for holidays for their children during school term**, and are expected to take holidays during school breaks.
- Parents **do not** have the right to take their child out of school for a holiday.
- In line with recommendations we will not be authorising Exceptional Leave requests except in exceptional cases. Parents will be asked to provide evidence of the reasons for the request.
- Requests for Exceptional Leave must be submitted in writing on the MAT Exceptional Leave request form below (**Appendix 3**).
- Each request will be considered individually, taking account of attendance/punctuality, pupil's/students educational progress and the nature of the request.
- **Exceptional leave does not include weddings and social functions.**
- Requests on medical grounds must be **supported with NHS documentation**. This includes requests for medical treatment abroad which must be supported by NHS documentation, stating that their medical needs cannot be met in the UK.
- All unauthorised absences will be reported to the Participation Team who have the legal authority to impose a £60 fine per child per parent/carer (e.g. mother + father = £120). Fines imposed and not paid within 21 days, will be doubled to £120 for per child per parent/carer. Failure to pay within 28 days may result in a summons from the Magistrates Court and a fine could be issued up to £1000.

Please note that you will be issued with a Penalty Notice only on the first occasion and if your child/children have any further unauthorised absence it may result in summonses being issued for you to appear at Uxbridge Magistrates Court.

- Patterns in unauthorised absences e.g. either side of school holidays, is tightly monitored by senior leaders.

If there is no improvement in attendance and punctuality, then the school may refer the pupil/student/family to The Participation Team for an Attendance Panel Meeting which could result in legal action being taken. You may contact the Participation Team, who will work with you and the school to resolve the situation. (Telephone numbers are available from the respective school offices).

Please be advised that unexplained or extended absence may result in your child losing their place at our school. If that happens your child would then become a CME (Child Missing Education).
