

Nanaksar Primary School 2014 – 2015

Sports Funding

Nanaksar Primary School did not receive any funding in 2013-2014 due to pupils not being old enough for the funding category.

This year in 2014-2015, the school will receive **£8,502** for Sports Funding. Planned expenditure includes:

- Coaching expertise from Primary Sporting Development (PSD), who will develop skills amongst teachers and pupils over a 6 week period.
- Purchasing new resources to support the teaching of the PE curriculum across the year groups.
- Playground markings for the new play area, to promote active playtimes.
