

## Nanaksar Primary School 2018 – 2019

### Sport Funding Report – Proposed Funding

#### School Overview

At Nanaksar Primary School, we recognise the contribution of PE to the health and well-being of our pupils. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our pupils.

#### What is Primary School Sport Funding? (PSSF)

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17 and 2017/2018 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children.

Primary School Sports Funding for 2018-19 is enabling us to continue and extend our provision by employing additional sports coaches, entering into more competitive sports competitions, providing swimming lessons and training our staff to deliver high quality PE and Games sessions.

#### Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses of the funding could include hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE, running sport competitions, or increasing participation in the school games.
