Statement of Intent

At Guru Nanak Sikh Academy, we understand the need to continually deliver high quality education, including during periods of remote working within GNSA Primary and Nanaksar Primary– whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

2. Roles and responsibilities

In the event of the need to revert to remote learning, all staff will be expected to be available to work during their normal working hours. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure by contacting HR. Those staff who normally support learning will also be expected to be supporting teachers deliver lessons remotely and offering feedback to learners. More details can be found below.

When providing remote learning, teachers must be available between 8:15am and 3:15pm.

Guru Nanak Sikh Academy will provide two remote learning offers in the primary phases;

- When an individual child is in isolation or sick, four learning tasks will be posted onto Google Classroom each day. The daily tasks will be required to be completed by the child online or in their home learning book. Teachers will be completing x2 deep marks of English and x2 deep marks of Maths per week with extension activities where applicable. Teachers will also make weekly wellbeing and touchbase phone calls home and complete a daily register of work completed.
- When a class bubble or whole school is closed, remote learning will be accessed through Google Classroom. Pupils will have immediate access to Google Classroom where they will be able to access 4 daily learning tasks including at least 2 daily live lessons. We will ensure that the tasks include work from a range of subjects so that we can continue to provide our pupils with a broad and balanced curriculum. The school will give out devices to any pupil who does not have access to one and will prioritise the distribution to disadvantaged and vulnerable pupils first. In some cases, additional paper packs and CGP books may also be given out. Pupils will also be given access to learning platforms such as Bug Club, Manga High, Sats Boot Camp, Learning By Questions, etc.

We expect that remote education (including remote teaching and independent work) will take pupils broadly the following number of hours each day:

Early Years and KS1

Reception	<p>3 hours including live input/instructions and/or resources to support learning activity.</p> <p>Pupils will be set 3-4 daily tasks through Tapestry for those pupils who are fit and well at home. For those parents who don't have Tapestry set up, teachers will email daily activities.</p>
Year 1	<p>3 hours including live input/instructions and/or resources to support learning activity.</p> <p>3 daily tasks will be scheduled for 8:30am and are expected to be completed by 3pm. Pupils will be provided with clear instructions on the lesson and task set, with all relevant resources and slides needed.</p>
Year 2	<p>3-4 hours including live input/instructions and/or resources to support learning activity.</p> <p>4 daily tasks will be scheduled for 8:30am and expected to be completed by 3pm. Pupils will be provided with clear instructions on the lesson and task set, with all relevant resources and slides needed.</p>

Key Stage 2

Year 3 - 6	<p>4 hours including live input/instructions and/or resources to support learning activity.</p> <p>4 daily tasks will be scheduled for 8:30am and expected to be completed by 3pm. Pupils will be provided with clear instructions on the lesson and task set, with all relevant resources and slides needed.</p>
