Dear Parents and Carers

## Year 6 Spring Letter

We would like to begin by wishing you a happy and prosperous new year. It has been wonderful to see children during live lessons and we look forward to welcoming them back to school as soon as possible. We are sure that with your support we will have a successful and positive 2021.

### Curriculum Coverage

Last term, Year 6 worked extremely hard and made excellent progress. Curriculum maps for the spring term have been saved on the school website under the '*Curriculum*' section, sub-section '*KS2, Year 6*'. Please continue to encourage your child to take an interest in this term's topics by providing opportunities for them to use the **Mangahigh, Bug Club, TT Rockstars and other web-based research**:

As a school, we continue to emphasise the importance of **Reading**. We would appreciate it if you could listen to your child read; they should be reading daily – reading books on Bug Club and reflecting on their reading by sharing with you.

### Parent Partnerships

Before the Christmas break we launched the '*Healthy Home Habits*' initiative in addition to releasing '*The Importance of Reading*' guidance. Videos are saved on the website under the '*Parents*' section explaining more about these. We would highly encourage you to watch these videos and to access the associated resources on the website.

### Accessing Learning from Home

It is important that in the absence of physically attending school that children are logging on and accessing the live lessons and completing the activities to the same high standard as they would in school. Please ensure your child completes the daily activities in full. Once school reopens, we will continue to make provisions for children in the event that they are unable to attend school. We acknowledge it may not always be possible for this work to be completed if your child is particularly unwell. We do however encourage children to complete as much of this work as possible so that they can continue to be engaged with school life and make positive progress. If you require support with Google Classroom '*How to use Google Classroom*' guides in English and Punjabi are available on the school website under the '*Parents*' section, sub-section '*Letters and Information*'.

Please speak to your child's teacher should you have any questions about the content of this letter.

We look forward to a positive spring term with your support.

Yours faithfully
