Dear Parent

## Re: Covid-19 Lateral Flow Testing of Students

We are extremely proud of all our students who have come into the Academy to undergo testing to ensure the safety for themselves and their fellow students and staff.

We would also like to thank parents in their help and support during remote learning sessions and we would also like to assure you that we have taken stringent steps in the safe return of our students to school.

As you can see from the images below, we have built a secure booth system within the sports hall to enable testing to be undertaken safely by all our students.

We have also reconfigured a room as the new medical centre to ensure that your child gets the best possible welfare support.

Yours faithfully
